## LIBRARY EVENTS

### CELEBRATE THE 50TH ANNIVERSARY OF 2001: A SPACE ODYSSEY

In April of 1968, Stanley Kubrick's *2001: A Space Odyssey* premiered in the United States. Now, on the fiftieth anniversary of the film's release, Burbank Public Library will host two events:

First, a special screening of *2001: A Space Odyssey* on Tuesday, April 3 at 6:00 p.m. Acclaimed as one of the greatest films ever made, *2001* was nominated for 4 Academy Awards and launched the genre of big-budget science fiction spectacles.

And on Tuesday, April 10 at 7:00 p.m., we will host a panel discussion with Michael Benson, author of *SPACE ODYSSEY: Stanley Kubrick, Arthur C. Clarke, and the Making of a Masterpiece*. Members of the panel will include the film's special effects supervisor Con Pederson, choreographer/actor Dan Richter, and visual effects artist Bruce Logan.

Both events will be held at the Buena Vista Branch Library, 300 N. Buena Vista Street.
